Could you visit me in dreams?

Two years, the organizers of the Vienna Festival of Contemporary Art have selected the Vienna-based artist as the main focus of the festival. It is a great honor for her to be invited to participate in the festival, which is a unique opportunity for her to present her work to a wider audience. The festival is a great platform for her to showcase her work and to engage with the art community in Vienna. It is a great opportunity for her to connect with other artists and to share her ideas and experiences.
